

Bristlecone Labs Assists BAP Solutions with SAP Certification

Milpitas, CA – January 25, 2008 –Bristlecone Labs, a division of Bristlecone, today announced that it has successfully assisted BAP Solutions, a leading provider of SaaS-based Governance Solutions, in securing SAP Powered by NetWeaver Certification for its BAP QARx XApps™. The BAP QARx™ is a SOA composite application that addresses the specifics of Governance and Compliance of Analytical and Reporting processes in Insurance, Banking and Financial sectors.

“We would like to thank the team from Bristlecone Labs for their valuable contribution and ensuring the success of our BAP QARx XApps™ SAP Powered by Netweaver Certification”, said Ian Grant-Smith, Chairman & CEO, BAP Global Solutions. “Bristlecone have demonstrated a true partnership value to BAP and we will continue to work successfully on several fronts together”.

“We are pleased that the NetWeaver certification project for BAP QARx™ was a success”, said Kemal Koeksel, VP & General Manager Bristlecone Labs. “ISV’s continue to partner with us to secure ‘SAP Powered by NetWeaver Certification’ due to our deep expertise in SAP and NetWeaver technologies and unparalleled experience in assisting ISVs with SAP integration, composite application development and NetWeaver certification”.
